dds-online

dds-online informs about the content of the current dds magazine and offers up-to-date as well as continuous information in its many columns and fora. Via the webside "Links", Internet users can jump directly into the online-world of woodworking, e.g. onto the homepage of the American cabinet-makers magazine "Fine Woodworking", or the Association of the Swiss master cabinet-makers and furniture manufacturers or simply onto the websites of cabinet-maker's workshops in the Internet.
